Both our garden cafe and greenhouse have heating. We do not have air conditioning in the garden cafe or the greenhouse. We have fans for air circulation & the sides of the greenhouse will be opened on warm days to promote air circulation as well.

Do you have bathrooms for private events?

At this time we only have our 2 bathrooms that are located in our garden cafe.

Do you have separate parking?

Our event parking is available in the back of our property, in our field. All parking on the front end of the property is reserved for handicap parking and greenhouse customers.

Can we book/DJ a band for live music?

We allow for low-level acoustics as long as they do not interfere with the overall environment of our venue. We also have a stereo that is available for connection, or we turn on a playlist.

Can I bring my own dessert?

Yes, you may bring your own dessert. We do not allow any other outside food or drinks, thank you for cooperating and understanding. We highly recommend The Mixing Bowl.
